Fe fydd ymghyhoiri'n digwydd gydag unrhyw un arall sy'n gyfrifol am yr hyfforddi. Pan yn dewis carfan, gwneir pob ymdrech i roi cyfle i bob aelod o'r garfan. Mewn cystadleuaeth sy'n agored i flwyddyn benodol, fe roddir blaenoriaeth i ddisgyblion y flwyddyn honno. Lle mae adnoddau yn caniatáu, gwneir pob ymdrech i fynd a thimau ychwanegol er mwyn cynyddu nifer cyfleoedd. Policy on choosing school representatives

One of the aims of Ysgol Iolo Morganwg is to offer as many extra-curricular experiences as possible to pupils. Many of these activities are open to all-and the school policy is to extend equal opportunities to all. In certain circumstances it becomes necessary to choose teams, groups or individuals to represent the school at specific competitions.

At such times, the teacher leading the activity shall choose the members of the team, taking into account the ability, dedication and performance of the children. Other persons who contribute to the training will also be consulted. When choosing a squad, every effort will be made to offer an opportunity to each member of the squad. In activities that are age specific, preference will always be given to the pupils of that age group. Where resources allow, every effort will be made to take extra teams so as increase the opportunities for participation. Any concerns regarding membership of such teams should be directed to the Headteacher or Chair of the Governing body.
