

LANGUAGES AT YSGOL IOLO MORGANWG

Did you know that children are offered the opportunity to learn French and Spanish during their time at Ysgol Iolo Morganwg?

Lunch-time clubs have been held at the school since 2004 and are run by LCF (UK) Ltd. This is a national group with over 50,000 pupils nationwide. Clubs are run locally by the Vale of Glamorgan licensee, Katherine Smith.

Start them young

Children learn through play - songs, poems and drama and the idea is to introduce them to the language as young as possible. Starting at such a young age means children aren't afraid of experimenting with sound and accents and adapt very quickly, soaking up the new language like sponges. Many of them cope with both French and Spanish.

Interactive website

The children also have access to LCF Clubs award-winning interactive website, Babelzone, which is full of games for all ages. It encourages them to consolidate the topics covered in club sessions and it is also a chance for you, as parents, to see how much they have learnt.

Annual Show

Every Easter, the children perform a show to which all parents are welcome. The infant children sing an action song and the juniors perform a play in the target language. There is also a short certificate ceremony. The children love performing for their parents and the drama course gives them a chance to have a go at sounding fluent.
